

Make art
with the Art Gallery of New South Wales

Do you love to make things?

Artists love to create.

They make drawings, prints, paintings, sculptures and other things for us to look at. They often plan their artworks by drawing first and use all sorts of different materials to make marks, textures, lines and shapes.

Look at these artists' drawings from the Art Gallery of New South Wales and get creative – you can draw anything and everything!

Dynamic drawing

Draw ...

your favourite animal
 the best meal you have ever eaten
 the view from your bedroom window
 an invented city
 creatures under the sea
 patterns, lines and shapes
 things from nature
 a portrait of your best friend
 a new outfit to wear to a special event
 yourself doing your favourite sport or activity
 machines or robots
 a garden
